BREAKTHROUGH
BOTANICAL DISINFECTANT
& CLEANER

CLEANBOSSPRO.COM

Kills Germs Faster Than Most Traditional Chemical Disinfectants*

Our hyper powerful formula leaves “natural” cleaners in the dust and kills germs faster than even some of the most toxic cleaners, but without the scary warnings or disclaimers. Our award winning CleanBoss Disinfectant is a heavy duty cleaner that cuts grease and grime on virtually every surface in your home, including granite countertops and stainless steel appliances, glass, windows and TV screens, bath tiles, sinks and toilet bowls, wood floors, high chairs, baby toys and more. CleanBoss also cleans and sanitizes soft surfaces such as fabric, carpet, upholstery and dog beds. Save time and space, because CleanBoss replaces over 15 different types of old school chemical household cleaners. CleanBoss truly does it all.
